

**The Byrd Polar and Climate Research Center is located at 1090 Carmack Road, Columbus, OH 43210.**

### **Arriving by Car**

IT IS CRITICAL THAT YOU PAY FOR PARKING IN THE LOTS, OR YOU WILL RECEIVE AN EXPENSIVE PARKING TICKET. INFORMATION IS PROVIDED BELOW; PLEASE READ IT CAREFULLY.

1. Take 315 to the Lane Avenue exit. This is one of the major exits for The Ohio State University. Go West (left if you are coming from the South side of the city; right if you are coming from the North side of the city) onto Lane Avenue.
2. Once you are on Lane Avenue, pass Kenny Road. The next road with a traffic light is Carmack Road. Take a left.
3. Once on Carmack Road turn left on Arthur Adams Road and continue straight, passing a small parking lot on the right. Follow the leftward bend in the road. The parking lot is located here.
4. Park and pay using the ParkMobile App (also called “Park Columbus” on your smartphone. For the Innovation District parking lot, use Zone Number “69367”. If you are paying to park, you may park at spaces marked WA, WB, WC, or VISITOR. **(If you happen to have a pre-paid parking permit, you may park in the WA, WB, or WC spaces. Do not park in the VISITOR spaces.)**
5. From the parking lot, follow the path around the basketball courts and straight into the compound of brick buildings. The Byrd Polar and Climate Research Center is the first building on the right.

Meet in the Auditorium, Room 240, on the second floor of Scott Hall. You will need to enter Scott Hall through Door #2 (each door is labeled) on the east side of the building and ascend the steps near the statue of Admiral Byrd.

### **Additional Options to Pay for Parking Via Computer or Mobile Device**

- **Parkmobile:** Parkmobile is a payment option that uses pay-by-phone and smartphone applications. Visitors can create a Parkmobile account online at [parkmobile.com](http://parkmobile.com) or via the Parkmobile app. Hourly parking prices mirror that of a pay-by-plate (pay-n-display) and single space meters.

### **Arriving by School Bus**

It is best to have your bus driver follow these directions. Buses can park for free in the West Campus lots.

- Take 315 to the Lane Avenue exit. This is one of the major exits for The Ohio State University. Go West (left if you are coming from the South side of the city; right if you are coming from the North side of the city) onto Lane Avenue.
- Once you are on Lane Avenue, pass Kenny Road. The next road with a traffic light is Carmack Road. Take a left.

- Once on Carmack Road, take a left onto Arthur Adams Drive. You will notice ponds on both sides of the road. Once you drop off your students, your bus will be able to turn around, and you may direct your driver to parking in the lots (pick up with step number 3 above).

### **Arriving by CABS (OSU Campus-Area Bus Service)**

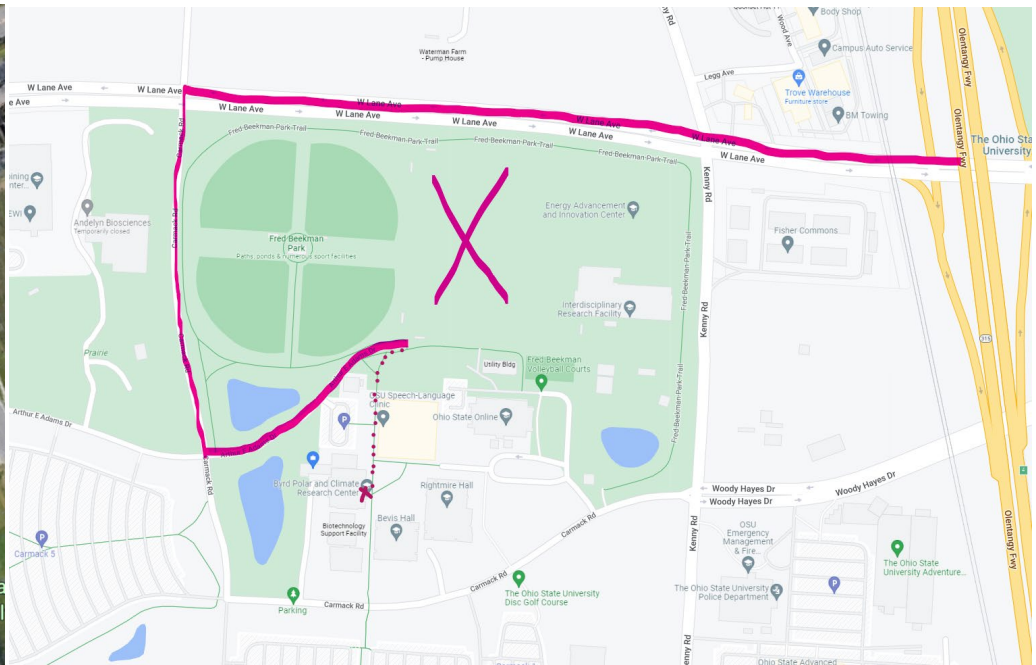

**Via Campus Connector :** Take the Campus Connector to the Bevis Hall bus stop. Exit the bus and walk up the stairs along the bus stop. Turn right to pass the Greenhouse. Scott Hall will be on your left, three buildings down. Route information is available online at [ttm.osu.edu/cabs](http://ttm.osu.edu/cabs).

**Via Med Center Express Route:** The Med Center Express route runs from the Herrick Drive Transit Hub on Main Campus to the Carmack Parking Lots on West Campus. Exit the shuttle at the Carmack 3 stop. On foot, continue northeastward through the parking lot to the pedestrian footbridge between Carmack Lots 2 & 3. Cross the footbridge and follow the path straight into the compound of buildings. Scott Hall is the third building on the left. Route information is available online at [ttm.osu.edu/cabs](http://ttm.osu.edu/cabs).

Meet in the Auditorium, Room 240, on the second floor of Scott Hall. You will need to enter Scott Hall through Door #2 (each door is labeled) on the east side of the building and ascend the steps near the statue of Admiral Byrd.

**CABS On-Demand Transportation:** During the day, CABS On-Demand provides transportation between areas west of Olentangy River and three campus bus stops: RPAC, Baker Systems and Watts Hall. Overnight, CABS On-Demand provides transportation between campus buildings. Students, faculty and staff can download the “TripShot” app for scheduling and real-time tracking and allow push notifications to receive real-time updates about service delays. Estimated travel times may change based on traffic, so riders should allow additional time for travel.
